

The background of the slide is a photograph showing the silhouettes of two men wearing hats, standing in a field of tall grass. The scene is backlit by a bright sun, creating a warm, golden glow. The sun is positioned in the upper left, and its light creates a lens flare effect across the image. The men are facing each other, and their forms are dark against the bright background. The overall mood is serene and suggests a rural or agricultural setting.

Delivering
innovation for a
sustainable
livestock industry

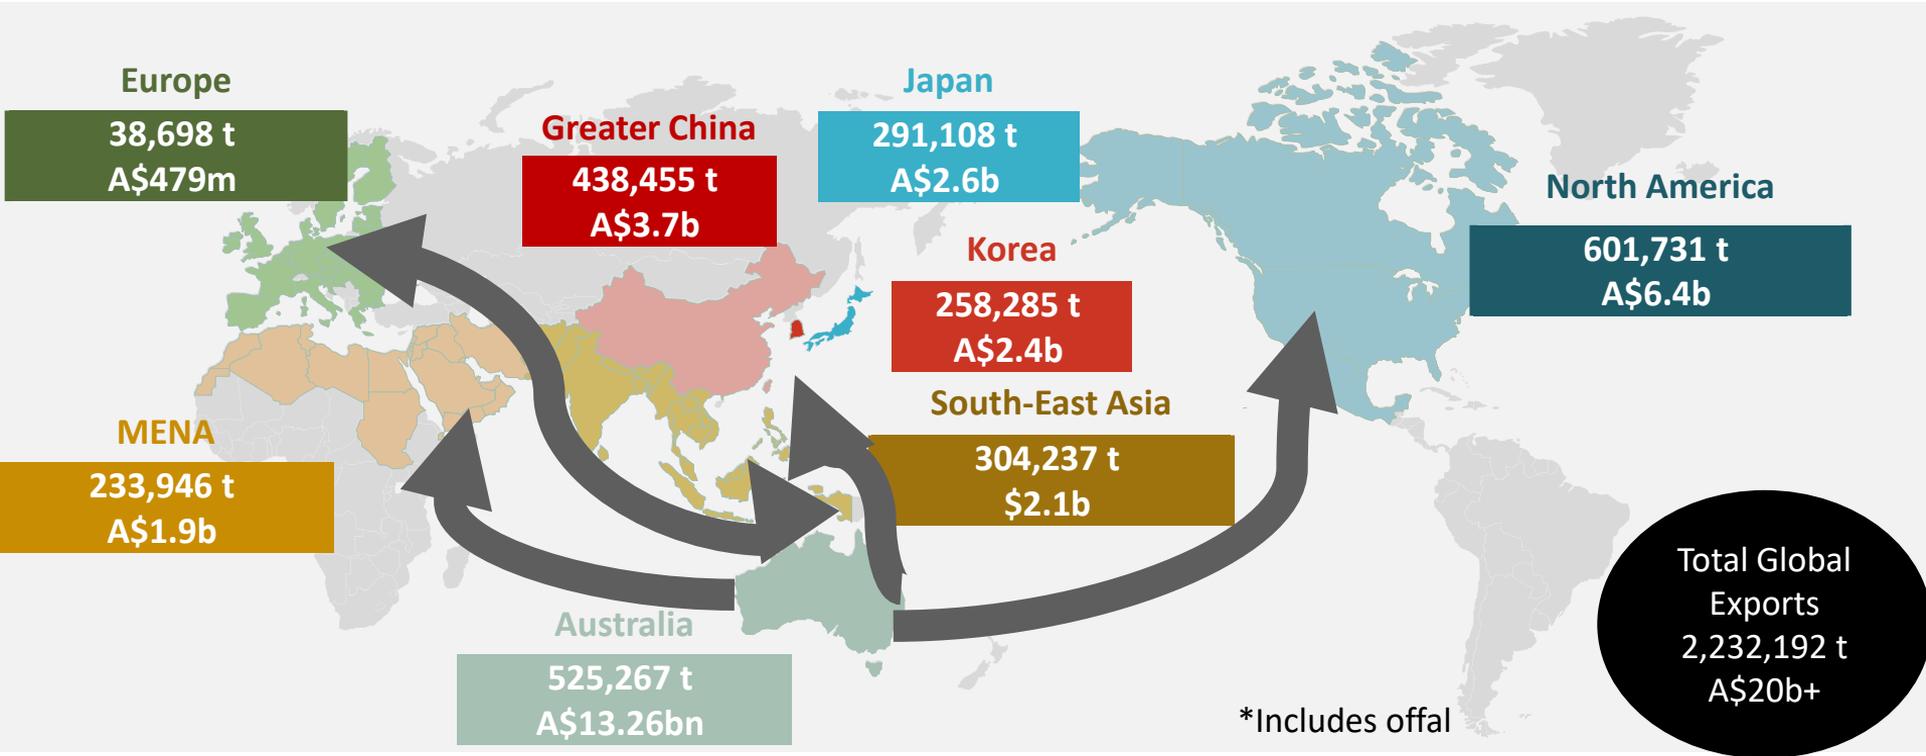

▲ POLICY AND STRATEGY ▲

▼ SERVICE PROVIDERS ▼

Australia exports to over 100 countries

Herd

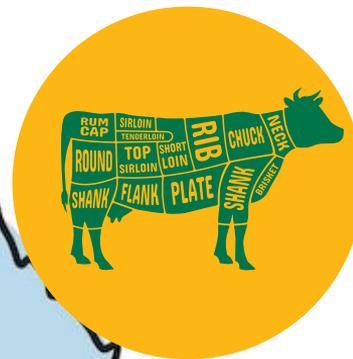

Herd remains stable easing just 0.2% to 31.0m head. 2% of global herd
